LAWRENCE, DAVID

"Fall, rise" of U N; just as League of Nations was unable to prevent aggressions, so has U N struggled in vain; fallacy of both orgns was that world could be transformed by establishment of super-govt; need is peace-keeping formula without loss of any nation's sovereignty; U N can rise again if governed by internatl conscience reflecting moral force of mankind, Jl 5 p 88

Is this "land of free"? Amer people today torn with dissension—controversies over "racial imbalance", "demonstrations"; clergymen proclaim no need to obey "unjust" laws; Communists infiltrating race groups; labor troubles; crime increasing as police systems are weakened; billions of dollars appropriated for "Great Society" but crime problem neglected by Cong, Jl 12 p 108

Reducing "take-home pay"; what effect will increase in Soc Sec taxes have on union demands for increased incomes, what will be impact on price structure; Amer people could have paid for medicare out of gen revenues, but this would have made Govt economize; double system of taxation bound to increase hardships on wage earners who cannot afford cut in take-home pay, Jl 19 p 108

Is declaration of "state of war" needed? 75,000 Amer boys in Vietnam now, over 5 million were involved in Korea, yet no war declared by Cong; under NATO treaty we must act without action by Cong, under Seato, U N charter there are reservations; Pres Johnson can proceed on assumption public sentiment is back of him, but would be better advised to ask Cong for resolution declaring "state of war" in Vietnam, Jl 26 p 108,107

LAWRENCE, DAVID—Contd.

"Darkness of life"; in editorial published April 19, 1965, role of clergymen in Amer was discussed; phrase "darkness of life" was used, many clergymen were puzzled about its meaning; to help their understanding "Chicago Tribune" editorial of July 1, "Example of Cloth," is printed in full text, Ag 2 p 84

How to stop war yet assure peace; Vietnam conflict concerns entire world, but U N has failed to do its duty; no way to halt war, be sure of peace unless all nations collaborate to help save Southeast Asia, mobilization of world opinion imperative, Ag 9 p 112

Whose "sputnik"? reprint of January, 24, 1958, editorial; Biblical history tells of how God repeatedly imposed his punishments; from skies may come age-old "sputnik" to inflict greater destruction on nation that initiates war, Ag 16 p 100

Voluntary or compulsory cooperation? whether concerning "civil rights" or bill that may be passed by Cong compelling worker to join union, basic approach is same—compulsion rather than volition; Herbert Spencer century ago wrote about trend in socialistic society, his words apply today as we see handwriting on wall—new despotism, Ag 23 p 92, 91

Wrong way; reprint of March 22, 1965, editorial; recent events show failure to rely on normal functioning of dem; passion, threat of physical force do not breed confidence in const system; need dispassionate discussion of race problem itself, solution lies in better understanding of human nature; rule of reason is right way, "demonstrations" wrong way, Ag 30 p 88

Right to loot? there seems to be new "civil right"—right of "have-nots" to take whatever they want from "haves"; James Farmer said stores hit in Los Angeles were mostly white owned; will fed power under "interstate commerce clause" now be used to protect rights of white people, or is right to loot to be affirmed by passive acquiescence, S 6 p 100

What is wrong with both parties; Repub Party's chief mistake is it helps Dems to win elections; opposition party serves best interest of nation when it exposes unmoral, inefficient govt; Repub Party today is party of assent rather than dissent, Dem Party is lost in maze of political bribery; it's time for change in both parties, S 13 p 28

"Collective" coercion? Pres Johnson's intervention in steel-indus negotiations virtually forced settlement; politically motivated Admin placed its power on side of labor union; is collective bargaining to be displaced by collective coercion, with Govt, labor joined together; self-restraint on all sides is true "guideline" for wage, price stability in natl econ, S 20 p 120

Coordination; time has come to coordinate powerful forces that have free rein in modern society; as population grows in Amer, labor groups become all-powerful econ system stands in danger of being wrecked; we must coordinate forces of production, service if econ strength is to be maintained; "public interest" is paramount, S 27 p 124

"Saboteurs at work"; September 20 issue of "USN&WR" contained editorial expressing similar views as editorial in "Wall Street Journal" appearing on same day; coincidence illustrates growing concern over unlimited right to strike, damage done to our free-enterprise system; "Wall Street Journal" editorial reprinted in full text, O 4 p 120

Why? war, efforts to assure world peace are phenomena of modern life; biggest single emotion today is fear of war; man must find way to transmit doctrines of self-discipline, human love from nation to nation; we have will to peace, why cannot we transmit it to others? O 11 p 144

Pres succession, responsible govt; announcement that Pres would undergo surgery worried nation, questions asked about ability of Vice Pres; time has come to think of Pres in terms of actual experience in Fed Govt; cong comm should study advantages of combining exec, legis branches under system of party responsibility; change in our system has long been overdue, O 18 p 144

LAWRENCE, DAVID—Contd.

Poisoning judicial system; when judicial system begins to be poisoned, it's time for people to demand integrity take the place of political caprice; latest episode described in "New York Times"; Amer people beginning to wonder whether judicial system is not being influenced by social ideologies of politically chosen judges instead of by objective interpretation of Const, O 25 p 140

Right to manage; free-enterprise system in danger of being frustrated; revision of labor-mgt laws needed to protect investing stockholders as well as mgt from confiscation of property by employes; unless right to manage is safeguarded, labor orgns will push econ toward Communistic System of govt control, N 1 p 120

"If man die, shall he live again?" text of eulogy delivered by Sen Everett Dirksen for Robert Humphreys, staff mbr of Sen-House Repub Leadership Conf; answer to timeless question of Job about life after death, N 8 p 124, 123

Victory for confusion; recent elections dominated by factionalism, bloc voting, racialism, absence of party responsibility; Lindsay election in New York City important, but Repub Party again failed to win majority; it was victory for irresponsibility, confusion, N 15 p 128

Without benefit of law; one-man govt can wreck econ system of Amer; intrusion in fixing of prices, wages without authorization by Cong can be disastrous; excerpts from editorials in "Washington Post", "New York Times" commenting on aluminum price controversy, N 22 p 132

Treason unpunished; Supreme Ct has just ruled that individuals cannot be compelled to confess mbrship in Communist Party; we have too long floundered in handling subversive, treasonable activities; Const defines treason as giving "aid, comfort to enemy"; this can, should be punished by explicit provisions of law, N 29 p 116

Every day is Thanksgiving Day; reprint of December 8, 1958, editorial; some of many blessings bestowed upon us as nation for which we should give thanks to Divine Providence, D 6 p 124

Must we fight alone? Amer soldiers are being killed by hundreds in Vietnam, yet we seek no territory, no dominion or power over any nation; we are fighting for ideal, but stand alone; we have econ power, financial resources, but other nations must give maximum support to cause of freedom, self-determination, D 13 p 124

Can we avoid recession? question before country today is whether recession can be avoided by timely preventatives; assumption is that only credit mechanism is in trouble, but other things are fundamentally wrong with Amer econ; to avoid recession will require courage, self-restraint by politicians, D 20 p 104

Someday—real Christmas; reprint of December 23, 1955, editorial; when mankind adopts spirit of Jesus as code, then we will have real Christmas . . . spiritual renaissance . . . world of eternal love, D 27 p 84
